NATURE'S GOLD FARMS

Organic Spices & Farm Produce

Rooted in Kerals's Rich Agricultural Heritage

www.naturesgoldfarms.com

About us

At Nature's Gold Farms, we grow fresh, chemical-free produce the way it is meant to be - naturally and with care. Set in the peaceful countryside near Kollam in Kerala, our farm is a place to enjoy good food, fresh air, and the joys of simple living.

Visit us to buy farm-fresh produce, enjoy a meal with freshly picked vegetables, or spend a day surrounded by nature.

Our Products

High Curcumin Meghalaya Turmeric

High curcumin content and potent anti-inflammatory properties.

Black Turmeric

Rare & potent medicinal root distinguished by its deep bluish-purple interior.

Kasturi Manjal

Also called wild turmeric, is an Ayurvedic herb for skincare, known for its non-staining properties.

Kerala Turmeric (Prathiba)

High-yielding, superior variety, rich flavour, and numerous health benefits.
